Student Remarks
Really good course prof teaching was interesting
Awesome course! Awesome prof.! Interesting assignments. Hands on project. Loved it overall!!
Strongly recommended course. Steep learning curve. Instructor is great! Would love to take other courses under him
This course was very good. But the nature of the course is such that it would have been way better offline than online. However under the circumstances the prof did a really good job.
The course is nice, the planning is not perfect. But the lecturer was enthusiastic, so overall it turned out fine
