Student Remarks

good
Never felt satisfied with the content discussed in class (incompleteness)
Great course, good teaching by Ayon sir.
great course
The professor has not clearly presented topics in the course. There were no tutorials or practice sheets etc. to facilitate students with proper practice of the topics taught in the class. Hybrid classes were not conducted for students at home, which resulted in missing classes throughout April. Overall the course was poorly organised and learning outcomes of the course were not met clearly.
