Student Remarks
No other teacher can meet Ayon sir in teaching this course.He gives his 300% to get us understand each and every concept
Amazing course????
the last module is not being taught well\n
ok
.
ok
overall the course was good and sir teaching was very interactive.
Sir has lot of knowledge but failed on teaching and managing lab and class at same time
good course, nice prof
\n
The instructor was passionate and interested in the subject, and I feel the latter half of the course, i.e. system design was the highlight of the course. The grading was done in a confused manner, especially about tutorials and homeworks\n.TAs added little to no value addition to the course.\n
Good
