Student Remarks
Great learning experience and really enjoyed the discussions during class. Really liked that professor is always open for questions and clears doubts very convincingly.
This class has been one of the most engaging and intriguing experience of my life. One will rarely find professors who will cover only half a slide in 2 lectures just to accommodate the curiosities of students in the class in form of lengthy discussions, and Rupesh sir seems to be that rare gem.Thankyou for always entertaining our doubts and ideas!
This is the third institute where I have pursued a degree, and by far, Prof Rupesh stands out as an absolute revelation.For someone with the attention span of a fly, it takes a teacher of extraordinary patience and brilliance to hold it steady and the instructor does so effortlessly.His conversation styled pedagogy and unwavering calmness with a slight pinch of humor, are an absolute treat to watch - the kind that makes education feel alive againCant wait to take another course by him!
It was an awesome experience!!!
Rupesh sir should teach at least one PG elective every semester. This is serious. Other faculty can handle UG courses, but we need you.
