

# LICENSE AGREEMENT FOR NON-COMMERCIAL RESEARCH USE OF INDIAN CLASSROOM FACE DATABASE (ICFD)

The primary focus of biometrics research is to develop algorithms, techniques and tools for automatic recognition of humans. As a part of a research work, this face database has been formed comprising images acquired using DSLR and mobile cameras. The face database enables researchers in developing, testing and publishing face recognition algorithms for FR (Face Recognition) in unconstrained classroom and seminar room conditions.

ICFD is used for scientific research of face recognition in unconstrained classroom and seminar room scenarios. Any one individual or a group is allowed to use this database for educational or non-commercial use only, free of charge. The images in the Database may be subject to copyright, and hence not made available publicly on our site. If you are a researcher who wishes to have the database available for educational or non-commercial use only, access may be provided through a web-site.

## **Consent**

The researcher(s) agrees to the following conditions on the Indian Institute Classroom Face Database:

1. ICFD is a valuable intellectual property, owned by CS&E Department, IIT Madras.
2. The researcher(s) shall have no rights with respect to the Database or any portion thereof and shall not use the Database except as expressly set forth in this Agreement.
3. Subject to the terms and conditions of this agreement, the ICFD is available for non-commercial research use only, a royalty-free, nonexclusive, non-transferable, license subject to the following conditions:
  - a. The Database is only for the non-commercial research use and available to those direct research colleagues who belong to the same research institution and have adhered to the terms of this license.
  - b. The Database will not be copied nor distributed in any form other than for backup.
  - c. The Database will only be used for research purposes and will not be used nor included in commercial applications in any form.
4. If Researcher is employed by a for-profit, commercial entity, Researcher's employer shall also be bound by these terms and conditions, and Researcher hereby represents that he or she is fully authorized to enter into this agreement on behalf of such employer.
5. A copy of all published papers, reports and other documents that use the ICFD must be forwarded to Prof. Sukhendu Das immediately upon publication, to the address available at the bottom of this document.
6. While every effort has been made to ensure accuracy, ICFD owners cannot accept responsibility for errors or omissions.
7. ICFD owners reserve the right to revise, amend, alter or delete the information provided herein at any time, but shall not be responsible for or liable in respect of any such revisions, amendments, alterations or deletions.
8. The final explanation of this agreement refers to Prof. Sukhendu Das.

Note: Signatory must have the legal authority to sign licensing agreements on behalf of the Licensee with ICFD. Licensee's legal staff should review the terms and conditions of this agreement and execute it. Agreements signed by individuals without this authority are not valid and will be discarded.

Please scan the agreement and send to [sdas@iitm.ac.in](mailto:sdas@iitm.ac.in) (or) by post to:

**VPLab,  
CS&E Department,  
IIT Madras,  
Chennai - 600036.  
India**

A notification email will be sent to your provided email address to download the database, once the application is approved.

**Acknowledgement:** ICFD has been developed under a research work of Visualization and Perception Laboratory (VPLab), Dept. of CS&E, IIT Madras, India. The PI of the project is Prof. Sukhendu Das from the Dept. of CS&E, IIT Madras, India. Mr. Avishek Bhattacharjee (MS student), Mr. Sandeep Narayan P. (MS student) and Mr. Samik Banerjee (PhD student) at CS&E, IIT Madras, had put a tireless effort in acquisition and developing the database.
